

玩轉社區 · 藝遊油尖旺

July 2022 to March 2023

To encourage the public to appreciate the characteristics of Yau Tsim Mong district, this programme offers an array of community activities, including colouring, drawing and photography competitions, for people from all walks of life to share their stories about the district. A city orienteering competition and a series of running and docent tours are also lined up for the public to explore the characteristics and culture of the district.
