Community Services

URA and its colleagues care a great deal about the community. After all, we are just as much a part of it. Volunteerism and community service are therefore actively encouraged by and through our staff club.

We received Caring Organisation award from the Hong Kong Council of Social Service.

February 2011

URA establishes its Voluntary Services Team. Our volunteers brought entertainment and laughter to children at the Hong Chi Pinehill Village, a nonprofit organisation providing services to children with intellectual disabilities.

February 2011

We fielded a strong team of runners for the Standard Chartered Marathon.

June 2011

We care for those who suffer as a result of disasters, including those that take place outside of Hong Kong. Our staff club donates to the Red Cross Japan Earthquake and Tsunami Relief Fund.

We relocated our Head Office to a nearby building and donate used furniture and equipment to those in need.

We make available the Central Oasis as a free venue for community groups and NGOs to promote their work. One of the events held at Central Oasis is the World Refugee Day Photo Exhibition supported by the URA.

We supported the Amazing City Orienteering Programme, an annual student event involving over 60 school teams to explore heritage preservation and revitalisation initiatives in Hong Kong.

We organised the Green Living School Campaign including an inter-school drama competition and green blog to promote a greener Hong Kong among the youngsters.
